

Fall 2010 Textbook List

Below are the editions submitted by the faculty. If you wish to use a different edition, please consult with the professor first.

Books are available on a first come-first served basis - we will not hold books.

Used books are available for many courses, but not guaranteed. The used price is 25% less than the new price.

Occasionally last minute changes in courses or scheduling may affect the book list.

Books marked with a * are RECOMMENDED ONLY.

The bookstore is not responsible for textbook changes after publication of this. Please be careful about buying from other sites.
